Coolant Tank Cleaner

Eco friendly
New concept
High efficiency

Effect

- 1. Removal of water and oil based coolant.
- 2. Easy and quickly to collect chips from tank and machine run stop.
- 3. Improved technology, versatility of particles in chip after collection.

Advantages

1. Coolant life time and quality getting longer.
2. Time of maintenance and machine operation, machine availability higher.
3. Cutting tool grinding wheel life time longer. Wearless NO reduce.
